Vellayan Chettiar Higher Secondary School	

## **Skills**

### **Technical Skills**

**Frontend:** HTML, CSS, JavaScript, React.js, Bootstrap, Figma, Canva, jQuery

**Backend:** Python, Django, Java

**Database:** MySQL

### **Soft Skills**

Problem solving

Team work

Time management

## **Internship**

### **“Python Developer Intern”**

**12/2024 - 03/2025**

( In Cybernaut Edu-Tech LLP)

Worked on real-time mini projects using Python including Amazon Web Scraper, Language Learning App.

Gained hands-on experience in Python programming, debugging, logic building, teamwork, and basic machine learning concepts.

## **Projects**

### **Gaming Learning Website (HTML, CSS, JavaScript, Bootstrap)**

Built an interactive educational website with four games (math puzzles, riddles, connections, and mind challenges) to enhance problem-solving and creativity.

### **Diary Notes Website (HTML, CSS, JavaScript, React.js)**

Developed a responsive diary app enabling users to create, edit, and delete notes with date/time tracking for better organization.

### **Blog Website (HTML, CSS, Python, Django, MySQL)**

Designed a responsive blog platform with category-based filtering, dynamic MySQL integration, and a contact form for user queries.

### **Amazon Web Scraper (Python, Selenium, BeautifulSoup, Pandas)**

Automated extraction of product titles, prices, and reviews from Amazon to support market research.

### **Language Learners App (Python, Tkinter, Googletrans)**

Created a desktop translation app with a simple GUI for multilingual text conversion using Googletrans API.

## **Certifications**

**Diploma in Microsoft Office – computer software college**

**Honours Diploma in Computer Application – Computer Software Education**

**Cybernaut tech trio course on C++, Python, Java – Cybernaut Edu-Tech LLP**

**Web designing - Anew**

## **Language**

English

Tamil
